Tax Distribution

The property tax rate in the Town of Exeter has four components: Municipal, School, State Education Tax, and County. Each portion is assessed on the property tax bill, mailed twice each year. In late October or November each year, a new tax rate is set for each category based on that year's budget, and changes in assessed valuation. The Town has various tax exemption programs for veterans, seniors, and the disabled, which impact the total tax rate. The county tax payment is due in December of each year for the full year. Property taxes are typically due and payable July 1st and December 1st of each year.
